

Community Service Program

“Love cannot remain by itself – it has no meaning. Love has to be put into action that action is service.”

-St. Mother Teresa

If you ever wondered why we do Community Service here at Fontbonne, take a moment to think about a world without people who help others asking nothing in return. We wouldn't want to live in that world and neither would you.

We are excited to help students find places where they can participate in community service, share their unique talents and show their love and concern for others.

Students in the 9th, 10th, 11th, and 12th grades attending Fontbonne Hall are required to complete a minimum of **15 hours** of volunteer service.

The goals of our program are:

- To deepen our personal growth
- To live our faith
- To extend Fontbonne's ministry
- To overcome fear of those who are different

Student must return the following forms to your Year Coordinators by the **DUE DATES** below:

- Parental Permission Form – Please return by November 4, 2023
- Site Contract Form – Please return by November 17, 2023
- Completed record of Volunteer Service/Reflection of Service
 - Grade 12 – Return by April 8, 2024
 - Grades 9 and 10 – Return by May 1, 2024

All forms may be returned to your year coordinators.

Failure to return CS forms on or before the DUE DATES will result in a F on your report card for that quarter. A final passing grade in Community Service is a requirement of Fontbonne Hall Academy and necessary for promotion and graduation.

Thank you for your commitment to the service of other and “putting your action into service.”

If you have any questions, please contact your year coordinators.
