

Message from the Development Office

Welcome to The Bonnie Buzz! We are excited to bring you more frequent updates about Fontbonne happenings. From student achievements to upcoming and recent events, this weekly newsletter will keep you informed and engaged with all things related to Fontbonne Hall Academy.

Isabella Fazio
Development Officer

Recent Events

From the Classroom

On April 10th, Dr. de Carvalho's Anatomy & Physiology classes welcomed Dr. Marie M. Moriarty '81, member of the Fontbonne Board of Trustees, as a guest speaker teaching our students the anatomy and physiology of the eye. Our seniors were introduced to the anatomy of the eye by dissecting the preserved eyes of cows, which are structurally very similar to the human eye.

College Acceptance

Julia Gabriellini was recently accepted to the **United States Air Force Academy**, where she plans to major in Management and minor in Airpower Studies. Julia said, "I am excited about all of the new people and experiences and I am honored to be given such an amazing opportunity to serve my country and further my aviation career." Julia credits Mrs. Ellen Nicoll, Physical Education teacher, as one of her biggest supporters. Reflecting on her journey, she adds, "this would not have been possible without the support of my family, friends, and especially my Fontbonne teachers."

Trip to Spain and Portugal

A group of our students, accompanied by Ms. DiCarlo, Mrs. Nicoll, and Mrs. O'Leary Proseus, attended a school-sponsored trip to Spain and Portugal during Spring Break. Students enjoyed eight days on the Iberian Peninsula. The trip began in Madrid, visiting the Prado Museum, admiring the statue of Don Quixote, and experiencing the bullfighting arena. On Good Friday, they attended mass at the Church of St. Joseph. After taking the high-speed train to Seville, they visited Cordoba and the Mosque-Cathedral. In Portugal, the group enjoyed flamenco lessons and tile making. They also made a day trip to Sintra, exploring the Palacio Nacional de Pena.
