Recent Events

Olivia Hope Foundation

Sophomore and Scholars Society member, Katelyn Kmietek, raised money and volunteered at the Olivia Hope Foundation's annual fundraiser on May 5th. The foundation, created in memory of Olivia, who passed away from cancer at age 12, funds research for better cancer treatments and supports families facing financial strain from treatment costs.

Athletic Fair

On May 15th, Fontbonne held the Athletic Fair. It was well attended by the incoming freshmen and their parents. The girls walked around to the various sports tables and talked to both the coaches and the girls that represented their respective sports. Cheer, Swimming, Tennis, Soccer, Softball, Volleyball, Cross Country/Indoor Track, and Basketball were all represented.

Sports

The Varsity Softball team lost to Molloy 8-7. This was the last game of the season, but students are looking forward to playing again next year.

Magnify Rosary

Seniors, Samantha Soued and Anna Mancino, along with other students, joined the Magnify club every Friday morning in the chapel to pray the Rosary. These students have embodied the club's mission to magnify God's love. The Magnify club began its Friday morning prayers in November 2023, with both students and faculty faithfully attending, praying for the Fontbonne community, their families, and global concerns. This past Friday, May 17th, marked the seniors' last attendance before graduation.
